

RAIN BARRELS FOR SALE!

Shenandoah Valley Soil and Water Conservation District

Benefits of Rain Barrels

- Captures roof runoff so water can be used for watering plants or lawns, washing your dog, washing your car, and more...
- Reduces amount of runoff crossing land or pavement, decreasing the amount of stormwater that carries pollutants and sediment into local waterways
- Harrisonburg City residents can receive a credit on their stormwater utility fee for properly installed rain barrels

Get Yours Today!
