

# Rain Barrel Workshop

August 26th  
9:00 a.m. - 11:00 a.m.

**Deadline to register  
is August 23, 2023 !**

**Sandy Bottom Shelter**  
600 East College Street  
Bridgewater, VA 22812

## Why Rain Barrels?

Rain barrels can be attached to downspouts to capture roof runoff. Water stored in a rain barrel can be used to water gardens or lawns. Rain barrels can also help control stormwater runoff, which can cause erosion.

## During this Workshop Participants will...

- Convert a heavy plastic pickle barrel into a functional rain barrel
- Learn how to install and maintain a rain barrel
- Learn how they impact local waterways
- Learn their role in water conservation and water quality protection

## Pricing and Workshop Notes:

- Registration for 1 rain barrel and 2 participants is \$70 + tax
- Registration for 2 rain barrels and 2 participants is \$130 + tax
- Barrels, tools and other supplies will be provided.
- Participants must be over the age of 10.
