

2024 VASWCD Photo Contest Rules

Eligibility

The Virginia Association of Soil & Water Conservation Districts (VASWCD) Photo Contest is open only to legal residents of the United States. Panel Judges (of the VASWCD Photo Contest), as well as immediate family (spouse partners, siblings, and children) and household members of those judges, are not eligible to enter.

Entry Period

The VASWCD Photo Contest begins January 2024 and ends on August 1, 2024. Entries submitted before or after the entry period will not be eligible. Winners will be announced September 2024.

What to Enter

The VASWCD is committed to conservation of natural resources through stewardship and education programs and we want to see it through your eyes. For our 2024 Photo Contest, we'd like you to take photos that showcase "**Conservation Across the Commonwealth**". Capture those vibrant moments and express what conservation looks like to you!

All photographs must be taken within the Commonwealth of Virginia. Photographs taken outside the state of Virginia will be disqualified.

Entries should include the following information.

- Name
- Age (as of August 1, 2024)
- Address
- Email
- Telephone
- Photo Title
- City or County where photo was taken
- Optional Caption that describes photo and answers (Limit to one paragraph)

By submitting your entry, you (parent/legal guardian if entrant is a minor in his/her state of residence) agree that the photograph(s) conforms to the guidelines and content restrictions.

By entering, entrants (parent/legal guardian if entrant is a minor in his/her state of residence) represent and warrant that the photograph(s) that they submit: are their own original creations; do not infringe any other person's or entity's rights; including trespassing on private land.

Entries must be submitted by the original creator. Photograph(s) created by someone other than you but submitted by you will be disqualified. You must be the sole owner of the copyright of any photograph(s) submitted. Incomplete entries will not be accepted and will be automatically rejected.

To ensure eligibility for the contest, please submit files at least 3 MB at the time of entry. Higher resolution files of at least 300 dpi/ppi will be requested should an entry be preselected to be awarded a prize or an honorable mention. All photographs should accurately reflect the subject matter and the scene as it appeared. Photos that have been digitally altered beyond standard optimization (red eye removal, removal of dust, cropping, reasonable adjustments to exposure, color and contrast, etc.) will be disqualified, which is left to the Panel's discretion.

Entries may originate in any format — including, but not limited to digital files, digital prints, color transparencies, color prints, or black and white prints — so long as they are submitted electronically in a .JPEG .jpg, or.png form. Multiple exposures that have been combined to produce a single "High Dynamic Range" image are acceptable.

Previously published material for which non-exclusive rights were granted may be entered as long as you still maintain the right to grant us a license (see "Your Rights" below). You must be able to disclose when and where the photo appeared previously to VASWCD upon request.

If you choose to include people in your submission, you are responsible for obtaining the necessary releases from the individuals depicted, and must be able to provide copies of those releases to VASWCD upon request.

The following submissions are ineligible:

- Images of captive animals photographed in zoos and commercial game farms.
- Photos that violate or infringe upon another person's rights, including but not limited to copyright.
- Photos that contain sexually explicit, nude, obscene, violent, or other objectionable or inappropriate content.
- Images that involve the willful harassment of wildlife, or damage to the environment by the photographer or photo subjects.
- Images that involve putting any individual or animal in danger.
- Images taken more than three years prior to the beginning date of the Contest (January, 2024).

The VASWCD shall determine entry eligibility in its sole and absolute discretion.

How to Enter

You may enter up to ten (10) images during the entry period, however only one winning photo per person. The VASWCD reserves the right to reject any additional entries or entries that do not comply with these Official Rules. By entering, you indicate your unconditional agreement to, and acceptance of, these Official Rules and VASWCD's decisions, which are final and binding. You cannot win a prize unless you comply with all requirements in these Official Rules.

Entrants may be asked to supplement their submission (such as with a paragraph about their photo or the highest resolution version of their photo).

Judging

Photos will be judged on originality, technical excellence, composition, overall impact, artistic merit and subject matter relevance to conservation, except that the People's Choice award will be determined based on which of the honorable mentions receives the most votes. Judging will be conducted by a panel of VASWCD and or SWCD employees/officials (the "Panel"). The Panel will evaluate all valid entries and pick winners in the following categories:

Categories:

1. Overall Winner (1 winner): Illustrates how people interact with their environment and care for the natural resources around them.
2. People's Choice (1 winner): Overall winner selected from among the 10 honorable mentions based on the highest number of votes received during public voting to be held on the VASWCD Facebook page in August 2024.
3. Young Photographer (1 winner): Best vibrant moment of conservation, taken by a photographer under 18 years of age.

The honorable mentions will be notified and will appear on the VASWCD website. At that time, the public can vote for one People's Choice winner from the honorable mentions. All potential winners will be revealed online by September 30, 2024.

All judging decisions are final. Please do not contact us about the status of entries or judging. The VASWCD will notify the winner via the contact information provided at the time of entry.

However, photographic techniques such as HDR, light-painting and long exposures are allowed. Photographs with watermarks, writing or symbols of any kind will be rejected.
