

RAIN BARRELS FOR SALE!

Shenandoah Valley Soil and Water Conservation District

Benefits of Rain Barrels

- Capture roof runoff so water can be used for watering plants or lawns, washing your dog, washing your car, and more
- Reduce amount of runoff crossing land or pavement, decreasing the amount of stormwater that carries pollutants and sediment into local waterways
- Receive a credit on stormwater utility fee (Harrisonburg City residents only) for properly installed rain barrels

Get Yours Today!

Pre-assembled rain barrels are available for **\$90** each or two for **\$170** (plus tax).

Payment Options: Credit card online or cash/check at pickup

Same-day pickup is not available, so call ahead to schedule.

Order online at <http://svswcd.org/rain-barrels/>

Diverter Options

Diverters divert rainwater from the downspout into your rain barrel.
